I have been in accord with the Colonial Office since it took steps in the F.O. I am unable to suggest any alteration in the suggestion which I make to you.

Before however, withdrawing my consent, I should like to be assured that the F. of S. has no objection. The case is not exactly that dealt with in F.O. circular of 1223 V.B. D/D 24th March 1904, since the invitation in question is not in a Native State, but in the circumstances I think it best to refer it.

Yours Sincerely
